SUMMARY

Highly motivated HND Graduate in Software Engineering with an Overall Distinction. Skilled in Software Development, UI/UX Design, Front-End Development, and Database Management using HTML, CSS, JavaScript, PHP, MySQL, Java, C#, Python, and Figma. Passionate about developing user-friendly software solutions with a strong interest in Software Engineering and UI/UX Design. Seeking an opportunity to begin my IT career, enhance my technical skills, and contribute to a professional team.

EDUCATION

BSc (Hons) in Computer Science – Artificial Intelligence Upcoming
ESOFT University Jaffna

Higher National Diploma in Software Engineering Nov 2024 - Sep 2026
ESOFT University Jaffna

- Achieved an Overall Distinction across the programme
- Developed expertise in Software Engineering, Web & Mobile Development, Database Management, UI/UX Design, and Cybersecurity through practical, industry-oriented projects.

G.C.E. Advanced Level Examination (Physical Science) 2022
J/Vadamarachy Hindu Girl's College

- Combined Mathematics: C
- Physics: S
- Chemistry: S
- English: S

G.C.E. Ordinary Level Examination 2019
J/Vadamarachy Hindu Girl's College

- Maths: B
- Science: C
- ICT: B
- English: C

TECHNICAL SKILLS

Programming Languages: C#, Java, Python, PHP

Web Technologies: HTML, CSS, JavaScript

Database Management: MySQL, SQL, CRUD Operations, Database Design

UI/UX Design: Figma, Canva, User Interface Design, User Experience Design

Software Engineering: Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA)

Tools & Platforms: Basic software Development tools (Visual Studio, Visual Studio Code, GitHub)

CERTIFICATION

Diploma in Information Technology Nov 2024 - Jun 2025
ESOFT University Jaffna

- Achieved Merit and Pass rank across all subjects
- Gained practical knowledge in Computer Studies, HTML, CSS, and UI/UX design fundamentals

- Earned a certificate in Spoken English & Grammar, improving fluency and written communication

PROJECTS

Training Fee Calculation System (C# Windows Application)

- Designed and developed a desktop application to automate fee calculations
- Implemented user-friendly interface and accurate computation logic

E-Commerce Website (Web Development Project)

- Developed a fully functional online store using HTML, CSS, JavaScript, PHP, and MySQL
- Implemented product listing, user interface design, and backend database integration

Hotel Management Database System

- Designed and implemented a database system with full CRUD functionality
- Managed data operations efficiently using structured queries

UI/UX Prototype (Figma)

- Designed and prototyped a complete user interface in Figma
- Applied user-centered design and interactive prototyping principles

Doctor Channeling System (Java CLI)

- Developed a command-line doctor channeling system using Java
- Implemented efficient data structures for patient and appointment management

Data Analysis System (Python)

- Developed a data analysis application using Python and Pandas
- Implemented data visualization and reporting with interactive graphs

WORK EXPERIENCE

J/Thambasiddy MMTM School

Jun 2024 - Jan 2025

- Assisted in classroom management and lesson planning.
- Provided individual support to students to enhance their learning experience.
- Conducted educational activities to engage students effectively.

SOFT SKILLS

- Strong Communication & Interpersonal Skills
- Teamwork & Collaboration
- Leadership & Team Management
- Time Management & Organizational Skills
- Adaptability & Quick Learning

ADDITIONAL SKILLS

Languages: Tamil – Native | English – Intermediate | Sinhala – Basic

Extracurricular Activities: Participation in Netball Competitions | Drama Performances
